Foreword

We are happy to greet you in the name of Jesus who is "living brea". The Lord will bless you abundantly with the fullness of His grace and mercy forever.

We welcome you to the Bible reading plan, Bible is Gods gift to us as a great treasure, it gives us greate reward to our life.

Bible meditation and prayers are like a pair of wings of a bird, which makes it to fly constantly. Both of these are most important in our spiritual growth in Jesus.

Lord gave us the Bible as a purpose of our life, that we will ought to read, meditate, learn from it, obey to it in our day-to-day life and teach others we come across.

You could use this book as a guide in your personal and family life, youth fellowship and friends, church and prayer cells to read and meditate the Bible as regular basis.

Surely the Word of God will lead you and bless you abundantly in happiness in your personal life, peace and joy in your family life. We pray for you that Holy Spirit God may lead you and teach you through the Bible.

Amen.

Before you start reading

1. Take Resolution

In order to read whole Bible, first what you need is a resolution to read the Bible continuously on daily basis. Without a strong decision you might not succeed in reading whole Bible in a year. A sports man will take a resolution and keeps trying to achieve his goal no matter whatever stops him in-between. In the same way, you need to have a goal to complete the Bible and try your level best to read it continuously.

2. Give Dedicated Time

It is always better to dedicate time instead of reading whenever you get time. You have a dedicated time for break fast, lunch and dinner. Same way you should also have a dedicated time may be in the morning or evening or night, once or twice in a day. This will give you more responsibility to organize your day very well and come back to Bible reading with peaceful mind.

3. Start and end with Prayer

Before reading and after reading, it is always best to do a small prayer. Before starting the reading, you can do a prayer to request Holy Spirit to speak to you through the Word of God, to request God's help in understanding it and to avoid any hurdles that stops from reading the Bible. Similarly after reading the Bible, you can request God's help in obeying to His words and to give strong mind to adopt it in your life.

4. Read the Bible

When you read the Bible, focus on it and keep full concentration and make note of all the words and the verses which Holy Spirit insists you in your mind repeatedly. Immediately keep note of such words and verses. If you dont get any, dont worry, keep reading the Bible without fail.

5. Surrender yourself to Obey

The words or verses you had noted down might be an advice or a promise or a commandment or something that God wants you to follow. You need to make a strong decision to obey the word of God and follow it throughout your life. This is the **most important step** in Bible reading, without this step you will not be able to get the benefits of word of God, the Bible.

6. Meditate throughout the day

Keep meditating the words and verses which you have noted down throughout the day and wherever possible relate it to your life. God will help you to understand it more better and better as you continue to meditate.

7. Share it with others

Whatever you have learnt from Bible, try to share with others on daily basis. This way you can get more in-depth knowledge on the portions you discuss and also you are helping others to learn something new! This will encourage them to read Bible.
